Dear Mr. Purvis:

Thank you for writing to the City of Prospect Heights with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq.

On August 8, 2013, you requested records of the following: full copy of all final and written contracts between Prospect Heights and Xtivity Solutions, LLC for all surveillance system (approved at the July 22, 2013 Council Meeting). Furthermore, your request is being tendered to you via e-mail.

The City provided a copy of the approved Xtivity contract to you which was sent to you via e-mail on August 8, 2013. On August 9, 2013, you responded via e-mail requesting a signed, final copy of the contract along with an equipment list and work order. Attached to this document, please find attached the signature page of the approved contract. The City has partially granted your request and is tendering to you the documentation in response to your attached request.

The City is also partially denying your request because information contained in the responsive documents relating to the work order/equipment list is exempt for the following reason:

- The documents contain commercial and trade secrets which have been furnished under a claim that they are proprietary, privileged, and confidential, and that disclosure of the commercial and trade secrets would cause competitive harm to the business (5 ILCS 140/7(g)).

Other than the documents tendered or the information specifically denied by this letter, the City does not possess any other documentation related to your request.

The undersigned is responsible for this partial denial. You have a right to have the denial of your request reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to:
